## WHO IS UNIVERSAL TRAVELLERS

Universal Travellers is a market leader with a global perspective when it comes to any form of travel. We offer “Delightful Experiences” to all our customers and as St. Augustine once said “The world is a book and those who don’t travel only read one page”.

We encourage you to read more than one page and experience the varieties and flavours from around the world. What better way by following your favourite sport team or sport star as they travel around the globe.

Whether it is rugby, football, tennis or cricket or the thrill in being present at a Formula 1 race, we will make sure you have everlasting memories. It doesn’t stop there and if you are in need of just a relaxing holiday or you need to take special care of your employees or clients then our Leisure and Incentive travel packages can be tailored to meet your exact needs and preferences. Inbound and Outbound sport groups are also one of our specialities. We have personal experience in the arrangement of more than 200 Inbound and Outbound groups. We take care of you every step of the way!

We look forward to offer you our service so that you can indeed have a “Delightful Experience”.
