To whom it may concern:

RE: SALFORD Training Camp

The Super League professional team, Salford Red Devils, did a pre-season training camp at Ingwenyama in Nelspruit in January 2014. Universal Travellers assisted with the logistical arrangements, which were hassle free and extremely successful. The services included flight bookings, accommodations, training set ups, luxury coach transfers, excursions and hospitality, as well as the continuous management of the tour.

On behalf of Maxxium Sport I want to thank Universal Travellers for their professional and highly effective service. We would definitely recommend their service to any organization interested in booking travel related and hospitality packages.

Regards

Chris Botes
